

Appl. No. : 10/759,664  
Filed : January 19, 2004

### REMARKS

Applicants thank the Examiner for the allowance of the present application. Filed herewith is an Issue Fee.

Paragraph [0001] of the specification, the claim for priority, has been amended merely to reflect the issuance of U.S. Patent Application No. 10/004,965 as U.S. Patent No. 6,679,341.

Paragraph [0002] of the specification has been amended to replace "U.S. Patent Application No. 10/004,963, entitled 'GRIPPER ASSEMBLY FOR DOWNHOLE TRACTORS,' filed on December 3, 2001" with "U.S. Patent No. 6,679,341." This paragraph originally incorporated by reference U.S. Patent Application No. "10/004,963." However, it was intended to incorporate by reference U.S. Patent Application No. 10/004,965, from which the present application claims priority. Applicants submit that the erroneous recitation of "10/004,963," as opposed to "10/004,965," was clearly a mere typographical error, and that this amendment does not constitute new matter.

Please charge any additional fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
